Message from Mrs Grumley!

Dear Parents,

Welcome back to school everyone! I hope that you all had a relaxing break and got to do some activities that you don't normally get to do during the school term.

It was lovely catching up with students and hearing their holiday stories. We look forward to what should be an exciting Term 3.

Student Led Conferences

Thank you for taking the time and investing in your child's education by attending our Student Led Conferences. It is a wonderful opportunity for the students to share their work with you and to set goals for future learning.

Tomorrow, Friday 1st August, there is no formal school for students as it is the last day for Student Led Conferences. A big thanks to our dedicated and supportive teachers that have helped guide these discussions.

Celebrating 100 Days in Foundation

Today our Foundation students celebrated 100 days of school. They took the opportunity to dress up as 100-year-olds and completed fun activities to do with the number 100!

The whole school joined in their celebration by supporting them in a parade around the Tiger Turf.

Lost Property

The lost property cupboard is once again full of unclaimed items. If your child is missing a jumper, beanie or jacket this would be a good place to start looking.

Remember to name all items of clothing so when items so that they can be returned to their rightful owner. I have found a few jumpers lately covered in frost on the Tiger Turf.

State Cross Country Success!

Last week, Guthrie Street Primary School was proudly represented by three outstanding student athletes at the State Cross Country Championships, held at the Yarra Valley Racecourse.

Competing against the best runners from across Victoria and in great conditions, our students showed determination, resilience, and school pride.

Congratulations to:

- **Niihah Giles** (9-10 Girls) – *47th place*
- **Billy Campbell** (9-10 Boys) – *87th place*

- **Baden Robinson** (12-13 Boys) – *69th place*

Well done to all three for making it to this elite level and doing Guthrie proud!

Kind regards,

Angela Grumley

This term we are focusing on a Wellbeing Sprint that will look at the 'Micro Habits' we put in place to support our own and our children's wellbeing.

'Micro Habits' are small, easily achievable actions that can be incorporated into a daily routine to improve overall well-being and productivity.

They are designed to be low-effort and low-impact, making them easy to stick with and leading to significant positive changes over time. Essentially, they are tiny tweaks that can have a big impact.

A 'Micro Habit' that we see a big impact in with students is knowing who is picking them up and from where, if they are going to After School Care, with another parent or if they are on the bus.

To support the wellbeing of your child the following suggestions can ease their worry and confusion:

- Place a visual reminder (coloured ribbon or key chain) on the school bag the day they have After School Care etc.
- Write them a weekly timetable for the fridge and their school bag so they have some ownership over where they are going.
