SCHOOL BUS CODE OF CONDUCT

Date: ____ / ____ /20___

CODE OF CONDUCT

Safe school bus travel is a whole community concern. The following Code of Conduct for students has been prepared to maintain the state's good safety record.

Students will:

- Behave in an orderly fashion while waiting at a bus stop
- Obey the driver's instructions
- Remain seated for the whole journey
- Talk quietly, and refrain from calling out to passing traffic
- On leaving the bus, wait on the same side of the road until the bus has left the bus stop, and if necessary, cross the road only when there is a clear view of the traffic in both directions.

Students will not:

- Distract the attention of the driver by yelling out or making loud noises
- Harass the driver or any other passenger on the bus
- Fight on the bus or at any bus stop coordination point
- Use foul, abusive or intimidating language
- Vandalise the bus
- Throw litter, or any other object, in or from the bus
- Allow any part of his or her body to protrude from the bus
- Take any dangerous items on the bus
- Play on the roadway
- Approach a bus until it has completely stopped
- Attempt to board or leave a moving bus.

Parents will need to be aware that if any students do not follow the Bus Code of Conduct, then the school in conjunction with the Bus Company in question will take necessary discipline action in accordance with the Guthrie St Social Emotional Wellbeing Manual and the Bus Company's discipline policies.

I have read this information about safe bus travel and understand my role in maintaining a safe travel environment.
