## Message from Mr. B!

Dear Parents,

I hope this newsletter finds you well. As we transition into the heart of the school year, we are delighted to share some exciting news about our upcoming aquatic events and opportunities at Aquamoves.

### Year 3-6 Swimming Carnival Recap: Made a Splash!

Our recent Year 3-6 Swimming Carnival was a resounding success, filled with spirited competition, camaraderie, and plenty of aquatic excitement. The students showcased not only their swimming prowess but also their sportsmanship and teamwork. The cheers and encouragement reverberated throughout Mooroopna I am sure, creating a vibrant and supportive atmosphere for all participants.

We extend our heartfelt congratulations to every student who took part, displaying determination and enthusiasm in each race. Special thanks to the parents who joined us to cheer on our young athletes and make the event even more memorable.

Congratulations to Taylor House for taking out the win and for Kilgour House on winning the Spirit Award. Thanks to Mr. Wright for all his work in preparing the staff and students for the day. This Thursday, several students will participate against other schools in the Division Swimming Championships at Aquamoves.

### Upcoming Swimming Lessons at Aquamoves: Dive into Learning!

Building on the enthusiasm generated by the swimming carnival, we are thrilled to announce the upcoming swimming lessons at Aquamoves for our students. These lessons are an integral part of our commitment to ensuring that every child develops essential water safety skills while enjoying the numerous physical and mental benefits of swimming.

Details of the Swimming Lessons for your child can be found on Compass. Please contact the office if you need further information.

The experienced and certified swim instructors at Aquamoves will tailor the lessons to accommodate various skill levels, ensuring that each child receives personalized attention and guidance. We believe that these lessons will not only enhance their swimming abilities but also foster a love for aquatic activities that can last a lifetime.

How You Can Support:

- Ensure your child has the necessary swimwear and accessories for the lessons.
- Encourage a positive and supportive attitude toward swimming, emphasizing the importance of water safety.

We are excited about the opportunities that swimming lessons at Aquamoves will provide for our students, promoting not only physical fitness but also valuable life skills. We look forward to your active participation and support in making this initiative a great success.

Thank you for your ongoing support, and here's to a fantastic few weeks of swimming and learning at Aquamoves!

Take Care  
Mr. B

## Speech Pathology at Guthrie Street PS

This year Guthrie St PS has invested in having a Speech Pathologist on site two days a week. This is a fantastic opportunity for the students and staff at our school. Amy Denny is a Speech Pathologist who has worked with the Department of Education for 9 years now. You will see her around the school on Tuesdays and Wednesdays.

Amy will work with the school in a number of ways to support the communication needs and goals of our students. Communication is an important part of our everyday lives. Speaking, listening, understanding, reading, writing and social skills all fall under the banner of communication. Speech pathologists look at speech sounds, language, pre-literacy and social skills, voice and stuttering. Speech pathologists aim to provide targeted intervention and support for students in individual, small group and whole class activities. A speech pathologist can assess communication skills and provide strategies to support student learning to parents and teachers. For Term 1, Amy will be focusing on the foundation classes to kick start their year. As the year goes on Amy will spend time with students across the school. Amy is very much looking forward to working within the school community!

### About Amy

**About Me:** Hi there, I'm Amy. I am originally from Bendigo but have been living and working in the Shepparton area for over 4 years now. I am a wife and mum to 3 children under the age of 6. My home life is very busy, loud and fun.

**Hobbies and Interests:** I have recently started reading again and love it. Before having kids I did latin and ballroom dancing and hope to start classes again this year.

**Professional Background:** I graduated at the end of 2014 and have worked as a Speech Pathologist within the Department of Education since the start of 2015. I started my career down in Geelong

before moving back to Bendigo when I got married. I have worked in Shepparton across the different schools in the Goulburn area since late 2019.

**What are looking forward to this year:** This year I am super excited to get to know the students, teachers and families at Guthrie St PS. I hope to provide valuable support and advice to our teachers and give the students some fun while helping them reach their communication goals.

## PRIVACY REMINDER

We ask parents to also review the guidance we provide on how we use [[Microsoft 365/Google Workspace for Education](#)] safely at the school and what parents can do to further protect their child's information. If after reviewing the guidance, you have any questions or concerns regarding your child using [Microsoft 365/Google Workspace for Education], please contact the school.

## "KISS AND GO" DROP OFF ZONE

Please use the "Kiss and Go" Drop off Zone in Abernethy Street. The allocated times are from 8am-9:30am and 2:30pm-4:00pm. By using this well, the traffic bottleneck around the school can be alleviated.

As the sign above shows, please only stop in the park for 2 minutes and do not leave your car. At the end of the day, if your child is not there to be picked up, you will have to drive around the school and return to the "Kiss and Go" drop off zone to pick up your child.

**PLEASE DO NOT PARK IN THIS "KISS AN GO" ZONE!**

## **Mobile Phone Reminder for 2024**

A reminder that the Department of Education has in place a mobile phone ban that requires students who bring mobile phones to school to have them switched off and securely put away during school hours.

The department is requiring all schools to ensure this ban is in place and enforced from the start of the 2024 school year.

The ban applies equally to all government schools right across the state.

This helps ensure that school is a learning environment free from unnecessary distractions and disruptions.

By ensuring mobile phones are kept away at recess and lunch times, students can interact with each other face-to-face, without the distractions and social pressures that mobile phones can cause.

I ask for the support of all our families, staff and students in continuing to support the implementation of this policy in our school.

Any students who wish to bring a phone to school must hand their phone to the office before school and then collect it after the final school bell. Phones will be securely stored away during the day.

If you have any further questions please feel free to call the office.

# On the LOOKOUT

We do the right thing because  
the right thing is the  
**BEST** thing to do!

We use this closed statement with our students to remind and to recognise when they make great choices.

It is a quick beginning and end to behaviour we do and don't want to see continuing.

E.g, In the yard if kids are climbing on the poles a quick statement is 'We do the right thing because the right things is the best thing to do'.
