Victorian Primary School Nursing Program – Preps
The primary school nurse from the Primary School Nursing Program will be visiting our school in Term 3 to assess all prep children who have signed consent, via their School Entrant Health Questionnaire (SEHQ). (The questionnaire provides parents and/or guardians with the opportunity to raise any concerns they may have about their child’s health and development with the school nurse). These questionnaires were distributed to all Prep parents last week to be returned at the latest by 8th June 2016.

EQ in Action
Each week I try to share an example of our EQ in action. I regularly ask students to live by the Golden Rule – Treat Others The Way You Would Like To Be Treated! There are many examples of this everyday at school. I saw at the division athletics a great example of this with 2 Grade 4 boys, Oliver Warburton and Mitchell Grumley competing in the 800m event. The boys came first and second respectively in a great race! This is not what impressed me. What impressed me the most was the sportsmanship and the empathy shown by both boys. They were genuinely excited for each other, patting each other on the back in congratulations. Great to see boys!

Alpha Show to visit Guthrie Street
The ALPHA SHOW performance of ‘ALADDIN’ is coming to our school on Monday, 6 June 2016. Aladdin is a full theatrical musical especially for children, and will be a memorable event that children will thoroughly enjoy! It has a powerful social & emotional learning focus concentrating on the values of Honesty, Hard Work and Goal Setting. Alpha has been visiting our school annually for over 10 years and each year they have captured the children’s attention with their amazing costuming, music and humour! To view details and images for Aladdin, you can go to: http://www.alphashows.com.au/shows/aladdin/
The cost for ALADDIN is covered by school fees. For families who have not finalised this payment the cost will be $10.

Division Athletics Success
